About us

Lifecard International Investment Limited is a fast-expanding Real Estate Investment Company located at Lekki, Lagos State with strategic and innovative business models that guarantee highly competitive ROI (Return on Investment).

Our strength is in creating wealth-making opportunities for corporations and individuals.

Our success is based on developing and managing purpose-built income producing properties that provide opportunities for investors to collect consistent cash distributions and enjoy future capital appreciation on assets.

We make real estate investments accessible to everyone in a way that is simple, secure and profitable. We achieve this by practicing excellence, continually innovating, conducting business with integrity and always putting our customers first also, we draw from our vast and deep knowledge of the Real Estate industry to give our clients the guidance and advisory services they require.

LIFECARD INVESTMENT LIMITED
